Hello to the Wilson High Class of 1969 -

It was just two years ago that we got together for our 55th reunion. Recently a few classmates have reached out suggesting we have a 57th reunion. Why? We aren't getting any younger and too much news from friends isn't good news. As an example, we lost Steve Jones on December 8th of last year.

That said, I've reserved the same room and have hired the caterer who was in charge of our 55th. (On the attached map 1 is the entry to the venue, 2 & 3 are the alleys to get to the venue and 4 is public parking on either side of the street. Also attached are catering specifics.)

The date is July the 25th and begins at 5:00. Spouses, significant others, etc. are always welcome.

The cost will be \$85 per person which covers the caterer as well as room rental. Please Venmo me or mail a check to me at 130 A Ave, #448, Lake Oswego, Oregon 97034.
